Dear Sir,

Subject: Rajya Sabha Question Provisionally admitted Question-Starred Dy No 1480 for reply on 28.11.2024 regarding contractual appointments and regular/permanent appointments in Central Government

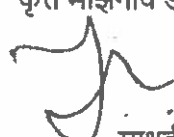

This has reference to your email dated 18 Nov '24 on the captioned subject.

2. The required information in respect of MDL is as under:

Sl. No.	Question	Reply
(a)	Whether Government has appointed more employees on contractual basis than regular/permanent appointments since 2019 till date.	Yes.
(b)	If so, the reasons for decline in regular/permanent appointments in central Government.	i. MDL is a Project based organisation and requirement of manpower is cyclic in nature. ii. The recent orders have been acquired through a competitive bidding process where in addition to quality, cost is a primary factor. iii. The changed scenarios as indicated above compels MDL to be extremely cost conscious. iv. Manpower requirements and costs that are incurred are to be optimized and hence appropriate strategy of undertaking the work by optimal distribution between MDL permanent employees, Fixed Term employees and sub-contracting has been adopted.

		<p>Notwithstanding above, MDL has been recruiting employees on fixed tenure basis for a period of 03 (Three) years which is further extendable twice by one year each. These employees are on rolls on MDL and are paid salary, wages and other benefits at par with permanent/regular employees.</p> <p>The pool of core employees on permanent terms is maintained by recruiting expertised and qualified employees from the pool of Fixed Tenures. This ensures achieving in continuity in availability of specialized skill set developed over the years of application on job and also enables MDL to remain competitive in the present day era of pleasant of maximum numbers of orders on competitive basis.</p>
(c)	If not, the number of contractual appointments and regular/permanent appointments in Central Government separately since 2019 till 1 st November, 2024, Ministry /Department/PSU-wise and year-wise?	NA
